

MOHANAPRABHU R

UI/UX Designer | UI Developer

prabudhivya0721@gmail.com | 8883660695 | [linkedin.com/in/mohanaprabhu-r-327841139](https://www.linkedin.com/in/mohanaprabhu-r-327841139)

PROFESSIONAL SUMMARY

UI/UX Designer and UI Developer at Timeless Ventures with 9+ years of experience designing and building responsive, accessible, and visually consistent user interfaces. Proficient in Figma and Photoshop for wireframing, visual design, and prototyping, with strong expertise in translating design concepts into pixel-accurate, reusable UI components using React.js, Next.js, Svelte, HTML5, CSS3, and Tailwind CSS. Skilled in maintaining consistent UI patterns and design systems across projects, optimizing usability and cross-browser experience, and customizing CMS platforms such as WordPress. Currently leading a team of 4 developers, guiding design-to-code handoff through structured reviews, and collaborating closely with designers and stakeholders to deliver polished, user-centered digital products on schedule.
